Please note: As clubs publish meets which do not presently appear on the fixture lists, a decision will be made by the coaches as to whether the club will attend these meets. Swimmers should check with their coaches to confirm that they are entering the correct number and type of events in a meet.

**NB - The professional coaches ask parents to please attend the meets listed on the clubs fixture list. It is not of any benefit to the swimmer or the club to enter meets that have not been targeted in line with a swimmers training schedule. If in doubt please refer to the Gala Attendance Information on the club website or speak to the Professional Coaches.**
